TPDES Multi-Sector General Permit (TXR050000)
Certification Signature Page

The Storm Water Pollution Prevention Plan (SWP3), which is required to be developed under the TPDES MSGP permit (TXR050000), must be signed according to 30 Texas Administrative Code §305.128 relating to Signatories to Reports. An authorized agent of the entity submitting the Notice of Intent for permit coverage must sign and date the SWP3 and maintain the signature within the plan.

“I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware there are significant penalties for submitting false information, including the possibility of fines and imprisonment for knowing violations.”
